Language by Katarina Johansson

A. Four things and one that doesn't belong to the others

D1 Description

This is an exercise in problem solving with natural materials

D2 Subject aims

The aim is to think logical and find solutions

D3 Preparation

You need pieces of white sheets, 1/group

D4 Time

1 hour

D5 Implementation

Let the pupils work in smaller groups. On their sheet they lay four things. Three of them belong in some way to each other and one doesn't. The other groups have to find out which thing that doesn't belong to the others. Here can color, weight or that three of the things start with the same letter be the reason why the thing doesn't belong to the other.

D6 Conclusion

This exercise can culminate in different subjects and start a lot of discussions. Let the pupils talk and argue for their case.
