

## Exercise in the subject course – In & Out project

*Language by Katarina Johansson*

### **A. Give the place a name**

#### **B1 Description**

This exercise can you do on every selected place that you work with, in order to get a relation to the place. Maybe you have been and worked on the place before and have learned a lot of the place's history or maybe it's the first time you are in that place. The place needs a name and the pupils have to name it.

#### **B2 Subject aims**

The aim of this exercise is to work both with the written and spoken language in order to use the natural materials on the place and lay a name on the sheet.

#### **B3 Preparation**

You need pieces of white sheets

#### **B4 Time**

1 hour

#### **B5 Implementation**

The pupils work in smaller groups, max 4 in each group. They try to find natural materials on the place and take the first letter of each thing to build a word, for example "L" in **L**eam, "C" in **C**one, "O" in **O**ak, "S" in **S**tick, "G" in **G**rass, "B" in **B**lueberry, "M" in **M**oss, "R" in **R**owanberries, "A" in **A**spen Leaf, "S" in **S**tone  
= **GRASS**

#### **B6 Conclusion**

Pupils train a lot of cooperation and discussing in this exercise and there are also mathematic and biology involved in an interdisciplinary way. Physical activities are all the time involved when the pupils run and fetch things. They also learn how to spell names.
